SUBJECT: Access and Resources for Students

Resolution

I recommend that the Student Assembly of the State University of New York (SUNYSA) adopt the following resolution:

Whereas Brockport Student Government will be the first SUNY school to implement an online petitioning software; and

Whereas this software allows students to have equal opportunities no matter their social affiliation to voice concerns and actively scale how other students feel in regards to said issue; and

Whereas Rochester Institute of Technology implemented an online petitioning system and showed great success for improving student government transparency in affiliation with students and the college administration; therefore let it be

Resolved that Brockport Student Government encourages SUNY institutions to make strides to advance transparent communication between students and their respective college in ways that fit their campus needs; therefore let it be

Resolved that Brockport Student Government encourages SUNY institutions to research technological systems that open access and resources for students- such as PawPrints, created by students at the Rochester Institute of Technology.
