

THE SUNY STUDENT ASSEMBLY PRESENTS

PLANNING TODAY FOR TOMORROW'S SUCCESS

FALL CONFERENCE 2017
WORKSHOP PACKET

OCTOBER 13-15
ALBANY HILTON

The State University of New York
Student Assembly

Colleagues,

It is my pleasure to extend to you the opportunity to be a workshop presenter at our 2017 Fall Conference at the Albany Hilton on October 13-15, 2017.

The SUNY Student Assembly Conference is a biannual event where over 300 student leaders gather to discuss critical issues in higher education. Student attendees are split into two different categories – Voting Delegates and Non-Voting Delegates. Workshop presenters are an integral part of our programming for our Non-Voting Delegates. Each workshop runs for about 55 minutes and will be given in front of an audience of about 50-75 of SUNY's best student leaders who are eager to bring new ideas back to their constituency.

This year's conference theme is, "Planning Today for Tomorrow's Success". With SUNY and our Student Governments facing new leadership, this conference theme is perfect for a fresh start to the year. Not only will this theme be geared towards preparing our leaders for the year to come, but it will also prepare them on how to sustain their efforts and work throughout the year. As student leaders, it is our job to make the change we want to see and pave the way for success. The future is what we make it, and our work today will pay dividends for tomorrow's students. Please keep this in mind when planning your workshop, and especially how your proposed presentation could pertain to our general theme.

On behalf of the SUNY Student Assembly, I thank you for your willingness to be involved in our conference. Please be attentive of all of the important information in this packet. Do not hesitate to reach out with any questions, comments or concerns.

Sincerely,

Nicole Pereira
Vice President
