

MEMORANDUM

June 22, 2013

TO: Members of the Executive Committee

FROM: Tremayne T. Price, President

SUBJECT: Appointment of Joshua Altemoos as Director of Information Services & Technology

Action Requested

The proposed resolution appoints Joshua Altemoos as Director of Information Services & Technology.

Resolution

I recommend that the Executive Committee adopt the following resolution:

Resolved that Joshua Altemoos be, and hereby is appointed Director of Information Services & Technology, effective immediately. This appointment shall continue from the date of appointment until May 31, 2014.

Background

Appointed by the Executive Committee, the Director of Information Services & Technology will report to the Chief of Staff & Deputy to the President, be a part of the President's cabinet.

The Director of Information Services & Technology will be responsible to the Executive Board, the Executive Committee, and the Student Assembly on matters including but not limited to new media and technology.

The Director of Information Services & Technology will be responsible to:

- Be responsible for managing and maintaining all SUNYSA technology.
- Make recommendations to the President and Executive Committee with regard to technology improvements to enhance organizational operations.
- Ensure that web-based outreach and communication outlets (website, social media networks, etc.) are functional and regularly updated.

- Track issues related to technology that may affect SUNY students.
- Track issues related to technology affecting the system.
- Assist the President as directed.

. Mr. Altemoos currently serves as the President of the Student Senate and a Voting Delegate to the Student Assembly for Alfred State College. He previously served the Director of Information Technology for the Student Assembly. He also served as the Student Senate Technology Chair and a student representative to the Faculty Senate Committee on Computing & Communications for Alfred State College.

Mr. Altemoos is currently working towards his BTech in Information Technology – Network Administration.

His resume is attached.
