**SUNY Student Assembly President and UAlbany graduate student Marc J. Cohen's
statement on the resignation of Dr. Robert Jones**

“Dr. Robert Jones embodies the values of the SUNY system. He has enjoyed a diverse career as a distinguished scientist, administrator, community leader, and even as a Grammy award-winning artist. His success and leadership are an inspiration to students across the system. We are sad to lose such an outstanding talent, but are excited for Dr. Jones and his future endeavors.”
